

# **Tech Ouija:**

Clear vision holds the key!

---

Tech Ouija is a technical treasure hunt in which teams will use their technical knowledge for solving the clues and finding the treasure. Clues may be in QR codes or on Paper. There will be a screening round on the basis of technical knowledge of “Basic Civil Engineering” and “Engineering Mechanics”. There will be 2 rounds, viz. **Screening Round** and **Tech Ouija**.

- **Entry Fees:**
  - For VIIT: 100/-
  - For Non-VIIT : 150/-
- **Participants per team : 4**
- **Prize: 4000/-**
- **Rules:**
  - In a team of 4 participants ONE participant must be of Civil Department.
  - There will be a Screening Round for all the groups; only 10 teams will be selected in all.
  - In a group of 4 members, any 2 members will solve the screening test.
  - Use of Electronic gadgets are not allowed only Volunteer will use the Mobile phone.
  - A map will be given at the beginning please make sure that you follow the map strictly.
  - Team should be together all the time while searching the clues.
  - Team members should not talk with anybody other than their team members and their assigned volunteer.
  - You will have one Helpline in which you may contact the Coordinator for help but this will cost you 5 MINUTES of your time. (HELPLINE CANNOT BE USED IN THE LAST CLUE)
  - If any of the above rules are not followed 1 minute will be deducted for each rule break and breaking the same rule twice may lead to disqualification.
  - For any kind of misbehavior, quarrels etc. with coordinator or volunteer or any other groups, 2 Minutes will be deducted.

**Winner will be decided on the following basis:**

**Number of rounds:**

- Round 1 – The top 10 teams will be selected on the basis to their screening round result. If there is a tie in the screening round then additional riddles will be given.
- Round 2 – All teams will find the treasure at a time. If 2 teams find the treasure at the same time and if one of them team has used helpline then the winner will be the team which has not used helpline.
- If teams are unable to find the treasure in the given time a 2nd prize will also be given and the amount of 1st prize will be reduced.

**Coordinator's decision will be final.**

- Minimum Entries: **10.**
