

ROAD-RASH

Rebuild the nostalgia

Experience the thrill of roadrash in real, a robo race in which the robot has to pass all the obstacles in the path and also get past the opponents driving alongside.

- **Entry Fees:** ₹ 250/-
- **No. of participants:** 2
- **Prizes:**
 - 1st Prize : ₹ 5000/-
 - 2nd Prize: ₹ 3000/-
- **Number of Rounds:** 2
- **Rules:**

ROUND 1:

- The First round will be on time basis, Bots have to cover the obstacle course in the least amount of time.
- Three hand touches at a single checkpoint are allowed.
- After three hand touches you will be given a time penalty.
- Top 6 teams will move on to the next round.

ROUND 2:

- The semi -finals will be between 3 bots on the same track.
 - Four hand touches at a single checkpoint are allowed.
 - If the bot dislodges off the track teams will have to restart back from the last checkpoints.
 - The two winners of the semi- final matches will move on for the finals.
-
- More than 3 hand touches will result in a time penalty in the qualification round.
 - More than 4 hand touches in the semi - finals or finals will result in a time penalty.

- Rules and technical specifications of the bot are to be strictly abided by.
- In case of any tie, a common task would be given on the spot to both the teams and winner would be decided on basis of best timing in that task.
- In case of a wired bot , pulling the wire to aid the traversal of bot would result in instant disqualification.
- Power Supply would be made available for wired bots.
- In case of wired bots the length of the wire must be long enough so as to not hamper the motion of other bots.
- Your robot must be ready when the call for your team is made.
- The robots will be judged on basis of time taken to complete the task.
- NO SECOND CHANCES will be given after completing the track with a poor time.
- In the second round the teams are allowed to dash the other bots, but no weapons, jamming circuits or any other mechanisms which affect the mechanisms of other bots are allowed.
- Devices such as bluetooth, wifi must be switched off near the arena.
- Decision of the organizers will be final and binding.
- If during the match, team faces any grievances , they can appeal to the referee , if found genuine required steps would be taken, the decision of the referee will be final and no further arguments would be entertained.
